Please explain the **outstanding** contributions of the nominee **during the month of nomination**

---

I have known Debra Nelson for about two and a half years. She supports the theme communities on campus of which I got involved with in the past year and a half. I have never seen anything less than a huge smile on her face. I would like to nominate Debra Nelson, for her outstandingly positive attitude and because of her integrity. I rarely if ever give out change to the homeless and had never bought the local 'real change' newspaper that the homeless sell. I was on the opposite side of the street passing the well know homeless man outside of Safeway who as usual was selling his 'real change' newspaper. I stopped in my tracks because Deb Nelson was stopped and talking to him and purchasing a newspaper. Deb Nelson is someone that I look up to greatly and I believe that others should also. She is a great part of our Housing and Food Services team.
