

1. It's not being trans, but the titular character of a Brooke Valley comic where she feels self-conscious and does the "👉👉" also has this characteristic, which deviates from standard depictions of her. It's not a scar, but Hester Shaw is the only main character in her story that has this feature, including on her Funko Pop. When (*) Kitana and Mileena are depicted with this feature, they are indistinguishable from each other aside from their color coding. It's not his goggles, but the Winter Soldier looks hotter than his actor, Sebastian Stan, due to this feature. Although I don't consider him to be hot, this non-hair color feature makes Kakashi Hataki unique among most of the main characters of Naruto. Aside from Cypher, who has a not-hot variation on this feature, Viper is the only Valorant agent with this feature. For 10 points, basically everyone during COVID wore what "garment" that made them look significantly more attractive, regardless of their appearance?

ANSWER: Face masks [accept any indication of wearing the mask as well; I specifically want a half face mask that covers the mouth and nose, but that's too hard to clue. Maybe bonus 5 points if they specify it] **Submitted by:** Hugo

2. This content creator recently came out with merchandise featuring the phrases "the power of friendship refreshes the soul" and "POSITIVITY" alongside photos of their friends. Though not primarily known for their musical content, they have performed several short songs on their YouTube channel including "diss track for paige" for a friend's birthday and "Hot Dawg" for the video "hot dog day at my school." That school is [] Rutgers University. This YouTuber is best known for his equally heartwarming and confusing shenanigans which frequently feature friends Janice, Enzo, Kieran, Hanbon (HAN-bawn), and more. For ten points, name this YouTuber, formerly a member of The House Nobody Asked For, who rose to popularity in high school with videos such as "Disturbing Students as Perry the Platypus" and "Harassing People With Fat Yoshi."

ANSWER: anthpo (or Anthony Potero) **Submitted by:** Haylee

3. In a black and white music video by this artist, they pull their shirt over their face as the camera continuously rotates around them. Although it was released in 2020, one album by this singer contains a 1964 version of one of his songs. That album cover shows this singer running away from a city at night. In one of this singer's songs, he claims that "I'll kiss both your eyes and cheeks / I know we're not the same" while referencing his girlfriend (*) Claudia Sulewski. This singer claims to not remember the "jasmine tuberose and lily" of an ex, and along with Ashe this man sang "Till Forever Falls Apart." This man wrote the song "Ocean Eyes" before giving it to his sister, who released it under her own name. For 10 points, identify this brother of Billie Eilish who sang "Let's Fall in Love for the Night."

ANSWER: Finneas Baird O'Connell **Submitted by:** Coby

4. In real projective 3-space, this degree-2 algebraic surface intersects the plane at infinity in two lines and can be defined in homogeneous coordinates as the set of zeroes of a non-degenerate real quadratic form with signature (2,2) (read: two two). In Euclidean (“yoo-CLID-ee-an”) 3-space, this surface is one of three doubly ruled surfaces along with the plane and the one-sheet hyperboloid (“hy-PURR-buh-loid”). Its doubly ruled and non-developable nature makes this surface easy to construct and highly resistant to buckling, making it a good candidate for (*) roof building, like the one atop Lee Valley VeloPark, which was used in the London 2012 Olympic Games. A 2019 survey conducted by a member of UWQB ranked this surface as the third most spicy after the 1-sheet and 2-sheet hyperboloids, with one reviewer commenting “nice shape, but where’s the horse?” in reference to its fun and quirky saddle point. For ten points, name this hottest quadric surface of all time, often informally referred to as a “Pringle”.

ANSWER: hyperbolic paraboloid [do not accept or prompt on “paraboloid”] **Submitted by:** Felicia

5. Note to players: it is very late and I am basing this off of this person’s Wikipedia photo the night before practice. Forgive me. **A year after their suicide, this person’s works became the “overwhelming sensation of the American Pavilion” at the 1972 Venice Cultural Exhibition. Boy With a Straw Hat is an anti-war piece by this artist, which shows a young man donning a button that reads “Bomb Hanoi.” This woman’s works often featured unique subjects, especially those with disabilities like Eddie Carmel, the “Jewish Giant,” leaning over his parents. This photographer’s work Identical Twins, Roselle, N.J. served as inspiration for the twin motif seen(!) in The Shining. As a teenager, the subject of this photographer’s most famous shot expressed anger for her “making fun of a skinny kid with a sailor suit.” That photograph depicts Colin Wood clutching a replica Mk 2 Pineapple while delivering a thousand-yard stare. For ten points, name this New York City photographer of Child With Toy Hand Grenade in Central Park.**

ANSWER: Diane Arbus (Accept Diane Nemerov) **Submitted by:** Lucas

6. **This character states "You're a pathetic excuse for a Ninja" when defeating a student ninja in combat. This character decides to enter the World Warrior tournament after his father figure and best friend, Tom, gets seriously injured by the sponsor of it. This character despite being the main protagonist of the game he first appeared in is largely considered weak and “low tier”. This character, notably played by Twisted Rivera, is a hybrid grappler whose design is an homage to American pro wrestler Hulk Hogan. For 10 points name this bomber jacket-wearing pro wrestler who was the protagonist in Capcom’s Street Fighter 3 sub-series and known for his Power Bomb and Flash Chop moves.**

ANSWER: Alex **Submitted by:** Connor

7. In a concept art book for a television series in which they do not feature, this character's name is mistakenly attributed to an image of a different character within their organization. During a mission to Ontotho, this character's identity was questioned by Commander Atty. While on that same mission, this character killed a non-Jedi woman who was wielding a lightsaber before finding a datapad belonging to Eno Cordova. This character flew a prototype version of the TIE/IN Interceptor during various missions, including one to the planet (*) Bracca, where she would execute a scrapper named Prauf after the latter spoke up against the Empire. During a duel on Bogano, this character would have her lightsaber stolen by an opponent, who would later be knighted using that saber. It's obviously not Cal Kestis, but this person was mentored by Cere Junda before the events of Order 66. For 10 points, name this Inquisitor killed by Darth Vader in the video game Jedi: Fallen Order.

ANSWER: Trilla Suduri [accept The Second Sister; accept Elizabeth Grucción] **Submitted by:** Hugo

8. In 2019, this person had to halt his world tour following an arrest in Sweden, where he was accused of assaulting a man that had allegedly been stalking him and groping women. The arrest, which many people saw as being racially motivated, was met by outpour, with many calling for this person to be freed, including then-president Donald Trump, who supposedly called the Swedish Prime Minister and offered to "personally vouch for his bail." This person played the role of John F. Kennedy in the music video for National Anthem (*) by Lana Del Ray, with whom he has multiple collaborations, including Summer Bummer, Ridin', and Groupie Love. This person featured Drake, Kendrick Lamar, and 2 Chainz on his song F**kin' Problems, which nominated for Best Rap Song at the 2014 Grammy Awards. For ten points, name this rapper and producer who, in 2021, announced that he was dating recent Super Bowl halftime show performer Rihanna.

ANSWER: ASAP Rocky (accept full name Rakim Athelaston Mayers, prompt on A "Dollar Sign" Rocky by telling the buzzer that they're being tacky). **Submitted by:** Sofia

9. This character's backstory states she somehow was invited to and completed Delta Force's training course in the 1990's. This character was one of two playable characters in the first game of her series and was considered to have had an easier difficulty. In the fifth mainline game of her series (*), she is for some reason turned into a blonde. In the first game of her series, she was referred to by fellow S.T.A.R.S members as the "master of unlocking" and was "almost turned into a -her name- sandwich," statements that would become an undying in-joke in numerous other Capcom properties. For ten points, name this character of Resident Evil who was pursued by the Nemesis B.O.W. (letters pronounced individually) in Resident Evil 3.

ANSWER: Jill Valentine (If you're showing pictures, show RE3 remake Valentine) **Submitted by:** Jesse

10. Description acceptable until the end. During this character's formal introduction, it is revealed that she came all the way from Beijing, after which she offers the crowd a proletarian salute. In this character's first appearance, they are the most centrally seated out of a group of officers watching a performance of the Revolutionary Rebel Song by a troupe of young girls. This character states that "sometimes, the teacher must learn" before discussing capitalist exploitation and the emptiness of Western music. This character questions whether another character should quote Comrade Li after informing him that Li had been purged and humiliated. While publicly interrogating Chou Yuan, this character hands the microphone to Xiang Pei, whose comments save Chou from harsher punishment while earning this character's praise. For 10 points, identify this Red Guard officer who orders the burning of a confiscated violin during the Shanghai, late 1960s chapter of The Red Violin.

ANSWER: Chen Gang [accept Tao Hong; accept descriptions until "Red Guard" is read]

Note: there are no images of the character on the internet, but around the 1:16:00 mark is where they appear the most https://www.youtube.com/watch?v=CUCjCn9HDyc&ab_channel=YouTubeMovies

Submitted by: Hugo

11. During a conversation with a rival about the downfall of their superior, this character suddenly decelerates the Recognizer she is piloting in order to throw that rival into the front windshield. In a brief fight against an aerodynamics specialist, this character is blown away by jet engines after standing around with her chute deployed. Another character confesses that he lied about being an architect to impress this character while she pins him to a wall. In one scene, this character's love interest is caught replaying a series of events in which she tackled him to the ground before commenting that "they usually don't last this long." Prior to fulfilling their current role, this character was a medical specialist who saved Ada from a group of attackers, but is betrayed upon learning she and her friend (*) Quorra are ISOs [EYE-sohz]. This character raises concerns over their leadership's "image" after her superior suggests "derezzing" two contestants who refused to fight. Hopper and Bartik, members of this person's task force, directly recruit one of their target's friends to create highly-destructive weapons. This character ends up fighting in The Games after Pavel's betrayal leads to her arrest and framing for conspiracy. On numerous occasions this character has held a blade to the Renegade's neck to demand his cooperation while he controls a vehicle. For 10 points, name this second-in-command of General Tesler, the primary female antagonist and later love interest of Beck in TRON: Uprising.

ANSWER: Commander Paige **Submitted by:** Hugo

12. Description Acceptable: In Gottfried Helnwein's parody, Boulevard of Broken Dreams, this character's role is filled by Marilyn Monroe. The OMD song Night Cafe is allegedly directed to this character, as it heavily references the work in which she appears. A matchbook is replaced with a fork and yellow spots are added to the dress of this character in Red Grooms' revisit of the original scene depicting her. Her creator used his wife, (!) Josephine, as both inspiration and a model for this character. Josephine also used the idea that this character, her supposed lover, and another patron are out late to name the art piece in which they appear. For ten points, name this character who, along with three men, appears in a diner in an Edward Hopper painting.

ANSWER: Girl from Nighthawks (Accept synonyms like woman for girl. Accept descriptions of the female in Hopper's Nighthawks) **Submitted by:** Lucas

13. This remarkably hot person tends to utilize the catchphrase “hurry up and wait!” if your walking pace exceeds theirs. They are also fond of saying “adapt and overcome,” but did not learn for years that it was associated with the United States Marines. Their most popular recent Instagram post discusses the importance of eating local and highlights various restaurants around their hometown. A few weeks ago, he was named a semi-finalist for the regional James Beard Award for their work at a restaurant which features Crystal Bertholic (bur-THAW-lik) as bartender. That restaurant is[] Ruins. He has also operated restaurants such as Eyvind, Hunt, and Stella’s cafe. For ten points, name this Spokane chef, father of the equally sexy Stella Kathrine Brown.

ANSWER: Tony Brown [or Tony S. Brown (but make it clear that you’re confused by why they know that); or Anthony Brown; Accept Stella’s Dad (or synonyms) before “Stella’s cafe” is read. Prompt on either underlined part.] **Submitted by:** Haylee

14. In a 2022 Twitch Livestream, HasanAbi reacted to a tweet about this individual, captioned “I feel like if you find this attractive, you’re pretty much gay but don’t want the stigma that goes with it.”, to which he proclaimed that he’s “gay as hell then”. In 2022, this individual uploaded a Q&A to their YouTube channel in which they explain the Cyrillic tattoos on their forearms, to which they clarified that they are not Russian nor do they speak the language, but chose to get them due to personal meaning. This influencer is known to deviate from her typical fitness-based content, and will often follow tutorials with shitposts (*), a notable example being captioned “Me explaining to the other people in the nuclear fallout shelter that I had to eat all the food because I’m bulking.” In line with this, this influencer is also known to incorporate meme-based sound effects into her videos, including but not limited to the vine boom sound, SpongeBob “buwomp”, and bruh sound effect. This influencer is known for cosplaying and posing as various anime characters, with members of her community often referring to her as “an IRL Jojo character”. For 10 points, name this viral fitness influencer who is one of the first results when the term “muscle mommy” is googled.

ANSWER: Leanbeefpatty **Submitted by:** Richard

15. In 2007, this man enrolled in a music program at USC, the place where he met fellow friend Ryan Coogler. One example of this man's experimentation with sound is his use of retrograde composition in a 2020 film, where melodic lines sound the same both (*) forwards and backwards. This man got the idea for a very popular television theme song by experimenting on woodwind recorders. Don't catch him slipping now, but this man, while not the lead artist on the track, took home Grammys for both Record and Song of the Year in 2019. For 10 points, what modern Swedish composer and producer is known for his frequent collaborations with Donald Glover and created the soundtrack for Tenet and The Mandalorian?

ANSWER: Ludwig Goransson **Submitted by:** Anirudh

16. The head ornament worn by this character resembles mango chutney, which is one of many facets of her south-asian inspired design. A scroll found in cryogenic hopetown reveals that this character is a member of the Onaga clan, though it is yet unconfirmed whether that is her last name. In an interview, she revealed that as a student she used to sing * Calamari Inkantation from the school rooftop. Upon her reveal, this character's gigantic forehead was the subject of numerous internet memes, being noticeably larger than even that of one of her predecessors in Off the Hook. This character is fought as the second boss of Return of the Mammalians in Splatoon 3. For ten points, name this eel-taming member of Deep Cut, an inkling who co-hosts anarchy splatcast alongside Shiver and Big Man.

ANSWER: Frye (prompt on Utsuho but they probably wont say that) Submitted by: Ali

17. The Bronx Zoo named a cockroach after this person's business partner and longtime friend. During an elementary school field trip, this person was misgendered by a colonial woman. This person once disposed of a used sex doll in fellow performer Courtney Act's Brisbane apartment. Before achieving fame, this person worked at a tea shop in their home town of Boston until they were fired after being accused of theft by their secret lesbian bosses. This person got most of their tattoos during a psychotic episode in 2018, which is briefly touched upon in the documentary Moving Parts. * One of this person's business ventures is the podcast The Bald and the Beautiful, which they star in alongside an individual with the same first name. This individual also has experience writing and producing music, including the song "Ding Dong!" based on the Netflix series Glow Up. Despite appearing on two seasons of a popular reality TV show, this person's most successful endeavor is the YouTube series "UNHhhh" (pronounced like a sexual moan) that they have produced since 2016 alongside fellow queen Trixie Mattel. For ten points, name this entertainer who became famous after appearing on the seventh season of RuPaul's Drag Race.

ANSWER: Katya Zamolodchikova (Zam-al-och-kiva) or Brian McCook Submitted by: Emma

18. This actress read for the role Catwoman for the 2022 film The Batman. In one film, this actress's character is killed by having her emitter (*) stomped. In her first English language film, she won her first major award nomination for her work in the film Knives Out, and was nominated for the Oscar for Best Actress in a leading role in 2022. For 10 points, name this actress whose roles include Joi in Blade Runner 2049, Paloma in No Time to Die, and Marta in Knives Out.

ANSWER: Ana de Armas Submitted by: Jesse

19. This character interrupts the arrest of a young girl by declaring that “she’s only a child,” but is denied when a senator declares that she is an insurgent and orders that she and two others be taken away. This character stands alongside an admiral interrogating prisoners who respond that they would “prefer to be [his] enemy.” Upon returning a general’s (*) daughter to his custody, he states that he’s in a “tough spot” but won’t report the incident. While trying to prevent the arrest of innocent civilians, he comes up with an alternate theory for the assassination of Senator Taa, upon which he is told to “leave the thinking to me” when he cannot say who fired the shot. This character’s disillusionment with the Empire and orders from Admiral Rampart become increasingly present during the two episodes he is in, but he fails to regain the trust of Eleni and Cham until he sacrifices himself to guide them to safety. For 10 points, name this clone captain who refused to pursue the "Bad Batch" and Cham Syndulla on Ryloth and attempted to convince his fellow troopers to stand down.

ANSWER: Captain Howzer Submitted by: Hugo

20. Description acceptable, maybe. A 2002 paper by J. Cheyne on the appearance of these beings concluded that they appear most often when a victim is in a certain position. It’s not alcoholism, but GHB is being used in an experimental treatment for one condition associated with these beings. A 2023 political cartoon by Martin Rowson depicts Rishi Sunak being squashed by one of these beings that bears an uncanny resemblance to Boris Johnson. These beings are often witnessed when someone experiences (*) muscle atonia. A painting that depicts one of these beings also shows some vials on a nightstand, as well as a black horse with glassy eyes. For 10 points, identify these beings, one of which is depicted sitting on a woman’s chest in a Henry Fuseli painting titled The Nightmare.

ANSWER: sleep paralysis demons [accept anything indicating some figure that appears during sleep paralysis; accept incubus; accept anything indicating some figure wanting to have sex with sleeping women; accept “the night hag”; prompt on partial; do not accept or prompt on “succubus”] Submitted by: Coby

21. The creator of this character has expressed regret for not giving her an official name, as it created awkward dialogue with her brother-in-law Max. In this character’s first appearance, she repeatedly rejects her son’s requests to drive their car. In several imagination sequences, this character serves as the main antagonist for her son’s alter-egos Spaceman Spiff and Stupendous (!) Man. Several strips feature this character’s son dramatizing her cooking into sci-fi scenes, while in others that character repeatedly frowns upon her son’s sadistic snowman artworks. For ten points, name this character who frequently disapproves of her son’s antics in a Bill Watterson comic strip about a boy and his stuffed tiger.

ANSWER: Calvin’s mother (Accept synonyms such as mom for mother. Accept descriptions such as “The mom from Calvin and Hobbes”. Prompt if an answer includes woman or lady instead of mom) Submitted by: Lucas

22. This actor's first film appearance was in the independent film Illtown, and one of their more recent appearances was as the protagonist of 2021's The Card Counter. This Guatemalan-born actor's breakthrough role was as the titular character in the Coen Brothers movie Inside Llewyn Davis, for which he won several best actor awards. This man has played three different Marvel characters, including a voice role as (*) Spider-Man 2099 in the upcoming Spider-Man: Across the Spider-verse, and his first being En Sabah Nur in X-Men: Apocalypse, which came out the same year he first appeared as his most famous role. For ten points, name this actor who played Leto Atreides in 2021's Dune, as well as Poe Dameron in the Star Wars sequel trilogy.

ANSWER: Oscar Isaac Hernández Estrada Submitted by: Truman

23. In one video, this person stares into your soul while making a nasty green smoothie and buys a \$1000 diamond encrusted chainsaw. This person wears comically large fake breasts with Slayyyter in the cover art for "Read My Mind". This person made her Hulu debut performing in the 2021 GLAAD Media Awards, and she was the first-ever host of YouTube Rewind. This person wears giant blue nails in a music video where she does surgery on her clone, and she sported dark blue lipstick and leggings to promote the () remix of her most famous song. This person's debut album Let It Burn* comes on the heels of an EP that shows the aforementioned green smoothie dripping down her face. This person would prefer that you know her for an iconic Queen of Hearts look in the "Worth It For the Feeling" video, but she will always be better known for wearing a purple tank and a yellow backpack on her way to the most exciting day of school. For ten points, name this singer of "Saturday" and its much derided predecessor.

ANSWER: Rebecca Black Submitted by: Kevin

24. At the 2015 SAG awards, this lady was told that she looked like she had just come off an island due to her skin being so tan, to which she responded "I'm ethnic", prompting backlash at her interviewer. This graduate of Harvard University interviewed Tupac in her third year to write a paper on him. One character played by this actress notoriously * dated nearly every man in the town that she lived in before finally marrying Chris Traeger. For 10 points, name this actress and writer who portrayed Karen Filipeli on the office, the biracial daughter of actress Peggy Lipton and musician Quincy Jones.

ANSWER: Rashida Jones Submitted by: Ali

25. It's not vendor, but a character with this designation may have slain the Toad King according to a book from the Grand Library of Bismark. "Fingers in his Ass on Sunday" features two characters with this designation and is often circulated on a specific website on Sunday. Characters with this designation need not be human, but are often anthropomorphized (*) to be tall, skinny, and white. Twitter attempted to hold a poll to determine the character with the most attributes fitting this designation, but another social media site quickly remade the poll, causing a different character with this designation to win. The movie The Lorax features a character who is known as the most iconic of the characters with this designation. For 10 points, what is the title given to attractive male characters beloved by users of a certain social media site?

ANSWER: Tumblr Sexyman (prompt on Sexyman by asking "Where do they come from?"; do not accept or prompt on sexy person)

References in order: Zacharie (Off), Komaeda (Danganrompa) and Sans (Undertale), Reingen Arataka (Mob Psycho), Cecil Palmer (Welcome to Night Vale), Oncelot (The Lorax) **Submitted by:** Ella

26. After ambushing the protagonist in an alleyway, this character asks for his "disc or his life" before laughing after being thrown to the ground. When one character remarks that this character wasn't programmed to fight, he responds with a quip about his specialty in aerodynamics before activating a set of turbines. This character wears an ISO [EYE-so] armband which was returned to him shortly before taking off in a (*) speedboat. While pinned down by this character, the Renegade attempts to turn him back by showing his face, after which he flashes white and orange. Beck was forced to fight this character during the Games, and, despite winning, he volunteered to be dazed as part of the loss conditions. This character was the primary commander of the Super Recognizer and ends up destroying it when he falls to his death in one of its legs while clutching a light grenade. For 10 points, what former friend of Beck gets captured and repurposed, luring him into a trap in the final episode of TRON: Uprising?

ANSWER: Cutler **Submitted by:** Hugo

27. Description Acceptable. Based on the size of the resultant community, the baseline estimate for how many people can be biologically categorized as this type of person is only 95. One example of this type of person was told "matching earrings are a social construct" after seeing an earring collection that did not include any pairs. Examples of these people include Soa Taylor and Nikki (*) Graham. It may be argued that one example of this person directed a woman into the kitchen while eating a specific piece of confectionary. After one of these people was identified as a Minnesotan, another asserted that it was weird for anyone to voluntarily go to Minnesota in the first place. The writer of this question is intimately familiar with all of these people, as they regularly meet up to the ire of affected spouses or partners. For 10 points, name these people, who were responsible in some capacity for raising, birthing, or donating eggs to members of UW QB.

ANSWER: The Mom(s) of UW QB members (Accept "my mom" provided a member of UW QB is answering; Accept "your mom" provided they are addressing a member of UW QB; Accept a specific mom provided they are a mom of a UW QB member that has not been already mentioned in the

question; Accept any answers that indicate it is the mother(s) of a UW QB member, including alternate words for mom; prompt on **mom(s)** by asking “Whose?”) **Submitted by:** Isaac

28. This character comes from a high upbringing and ends up in a small town in the middle of nowhere, almost stranded in the desert alone until she was found unconscious by a local. This character also has a pinstripe tattoo on their back. A realistic version of this character exists in a museum in Stuttgart. This character parallels Owen Wilson’s character throughout the trilogy of movies they are in together. The actual license plate of this character was issued in a California DMV unlike other cars involved. Who is the lovely blue 911 Porsche played opposite to Lightning McQueen by Bonnie Hunt?

ANSWER: Sally Carrera **Submitted by:** Gavin

29. The phrase “a primitive form of sexual interaction” can be used to describe the average Quizbowler on Tinder, as well as the cellular aggregation and subsequent chromosomal recombination observed in one genus of these organisms in response to DNA damage. Most of these organisms maintain a very low plasma membrane permeability, often by using ether-linked tetraether lipids that are more structurally rigid than ester-linked lipids. Many of these organisms use reverse gyrase (“jye-race”) to create large amounts of positively supercoiled DNA, which confers higher stability alongside their high GC-content, probably. Spores from one of these organisms are a biological indicator used in (*) autoclave validation, as the spores are only inactivated under the length and conditions of a successful autoclave cycle. A polymerase frequently used in PCR originates from one of these organisms first isolated from a spring in Yellowstone National Park, where the bright colours of many such springs are caused by these organisms. For ten points, name these definitely hot and possibly sexy extremophiles that live in high-temperature environments.

ANSWER: thermophiles [or thermophilic organisms, accept hyperthermophiles, prompt on “extremophile” before read, reluctantly prompt on “archaea” but if they get it let them know not all thermophiles are archaeans] **Submitted by:** Felicia

30. The earliest known depiction of this person is in a fresco from the Dura-Europos Church, which shows them carrying a bowl of myrrh. This person has thick, curly body hair in a Reimenschneider sculpture and eroitc implied lines between this person and Jesus feature in many Peter Paul Reubens works. In Raphael's The Deposition, this reddish-haired(!) woman clutches Jesus' hand as he is carried to the tomb, while Paolo Veronese depicted Jesus exorcising her sins in The Conversion of this woman. This woman was a common subject of Georges de La Tour, who frequently depicted her in contemplation as a symbol of her changed life in works such as this woman and the Smoking Flame. For ten points, name this biblical woman, a follower of Jesus who is commonly used as a symbol of mortality and is often depicted anointing his feet or weeping at his crucifixion.

ANSWER: Mary Magdalene (Accept Mary of Magdala or Madeleine. Prompt on Mary. Do not accept or prompt on Mary of Bethany, Mary Madonna, Mary Mother of James the Younger, Mary Mother of John Mark, Mary of Rome or Mary Mother of Jesus. Why couldn't the bible use more unique names smh)
Submitted by: Lucas

31. This actress got her start in the entertainment industry by hosting an entertainment news program on Disney Channel. She made a small cameo as a concessions worker (*) in the 2022 film Bullet Train. In her first video game appearance, she did voice acting and motion capture as the character Dani Nakamura for the disappointingly mediocre horror game The Callisto Protocol. This actress's film debut was in the worse than mediocre film Suicide Squad as Katana. For 10 points name this actress who is best known for her role as Kimiko in the Amazon Prime series The Boys.

ANSWER: Karen **Fukuhara** **Submitted by:** Jesse

32. Yuna Lee and Kyung-soo Han were once contemporaries of this character and later became her coworkers. This character starred in the movie Hero of My Storm alongside Robert Greenways and Thespion 4.0, the latter of which also starred in Some Like It Bot. This character is sponsored by God Games, Z Fighting, apmTV.kr, and (*) Blizzard. At age 19, this character joined the military where she would be placed under the command of Captain Myung. This character's father was a former professional StarCraft player, while she herself became the world number 1 in Mecha Guardian V as a high schooler. This character broke her left leg after successfully defending against an Omnic attack against Busan on her own. For 10 points, name this pilot in the Mobile Exo-Force of the Korean Army and member of Overwatch.

ANSWER: D.va [accept Hana Song or Song Hana] **Submitted by:** Hugo

33. This actor starred as the main role in the last Hollywood movie to be released on VHS. In that movie, this actor played Tom Stall who heroically has sex with his wife on a staircase but like also kills two spree killers who enter the diner he owns making national news. That movie is* A History of Violence which this actor proclaimed as “perfect film noir” and decided to work with the director, David Cronenberg, multiple times in movies like Eastern Promises as Nikolai Luzhin, A Dangerous Method as Sigmund Freud, and Crimes of the Future as Saul Tenser. For 10 Points, name this American actor best known for his roles as Tony Lip in the Green Book and his hottest appearance as Aragorn in Lord of the Rings.

ANSWER: Viggo Mortensen Submitted by: Connor

34. This character’s official playlist begins with the song “I Disagree” by Poppy. Based on a quote from the game in which they appear, this person’s birthday is likely March 20th. An unlockable item specific to this character is called One Dark Night. This character is referred to as a “monster,” and asks if they should “prove them right” in a common voice line. This character’s official backstory video opens with a mouse set against a [*] green background, and later shows her making coffee using a complicated looking set of chemistry equipment. This character was a recent cosplay of another notable hot person, Twitch streamer Kyedae. For ten points, name this tallest female agent in Riot’s Valorant, notable for her poison-related abilities.

ANSWER: Viper (accept Sabine Callas) Submitted by: Stella
