 - Chelsea: McMahon's water is too hot - it's always hot or cold - I like it this way, but some don't.
 - Chelsea: Bike racks are underneath McMahon and that's just asking for vandalism. People want safe bike racks.
 - Matt: Girls asked for clocks in the women's rooms of McCarty.
 - Beth: Can we paint the outside of Terry-Lander?
 - Beth: Terry Grand Piano Bench has vanished.
- **Committees**
 - Andrew: CPC didn't meet this week. 13 February at 5PM in Leadership Office. We're working on good stuff and selecting a chair.
 - Andrew: Which pianos specifically need tuning?
 - Haggett's Grey Lounge one key is broken as though the pedal is always pressed on that key.
 - Jessica: CAC met this week. I don't sound like a dragon any more. We're going over any complaints comments questions about the dining halls. Voicing opinions to your friend doesn't make changes - send them to people who come to CAC. Talk to Beth on South Campus or Jessica on North Campus. 4:30 Tuesdays in the Chef's Table or the Books Room.
 - Pastries are unappetizing or not fresh? They're freshly delivered every day and they're fine.
 - HFS is putting on a valentine's day dinner, on Valentine's Day north and south campus with crab and beef tenderloin. It's more expensive but you can buy it with your Husky Card.
 - HFS is also putting on a Chinese New Year's Dinner on 20 Feb for \$10 a fully stacked plate.

- **NRHH**

- Amara: I resigned from my position. Jada will be taking it up now.
- Amara: Two positions are open, so contact Jada.
- Jada: We had winter fashion show, arts and crafts, good programs in January. If someone wants to talk to me I can extend the OTM deadline for you. Send me an email.
- Jada: I'm excited for NRHH.

- **Senate**
 - Salil: ASUW Social 11 February
 - Salil: Lobby Day on Tuesday
 - Salil: This past meeting our student lobbyist presented to us.
 - Salil: We looked at R14-8 in support of constructing a Bruce Lee monument.
 - Sam: Misrepresentation of colored people?
 - Alex the Senator: I'm a cosponsor of this bill. There is no statue on campus that is not a white guy.
 - Alex the Senator: So it's less misrepresentation than lack of representation.
 - Salil: Tuesday after-next.
 - Jada: Where does money come from?
 - Alex the Senator: You usually can find private donations. It shouldn't come out of the student purse.

- **SEED**
 - Jennifer: Environmental pamphlets about candidates.

- **Advisor Report**
 - Jake: Thank you for your endorsement of the proposed rates, and for sitting through all the meetings. That takes a lot of work that you guys could be spending somewhere else.
 - Jake: How many people are going to one MPH event? Two? Attend some. It's boring when only three people come. You spent \$1000 on this program, so use it, 'cause otherwise it's a waste of money.
 - Jake: Go to Archery. I haven't done it since high school.
 - Sam: When was high school?
- **Announcements**
 - Alex the Senator: I'm a senator and a member of the office of government relations. We have an event coming up. What is it? Lobby Day. Lobby Day! Sign up and go. This tuesday is a rare opportunity to make your world better. The three issues we're really working on are (A) Lowering tuition (B) Campus safety to not stub your toe when stumbling home sober (C) Childcare on campus. We're exemplary in other categories but not the childcare category. If those issues don't do it for you, bring your own issues so long as it's somewhat germane. I plead and beg that you go. Go to uwlobbyday.org and sign up. I hope to see all your faces there on Tuesday. Look presentable preferably with pants. Free breakfast free lunch free ride.
 - Alex: Every year RHSA has one spot on the student regent selection committee. Next week we'll be picking our selector.
 - Alex the Senator: Lobby Day is an excused absence. No repercussions. Lobby Day is the leap day in February. Also, Student Regent is open to undergraduates, so you can apply for that.
 - Beth: Where and when do you apply to be on the selection committee?
 - Jake: It'll be a normal confirmation at RHSA.
 - Amara speaks to her experience last year. It was like four 2-3 hour meetings over a couple months.
- **To the Point**
 - Rate increase - get across that it passed
 - MPH - Sexual and relational health week next week. Let's have a big turnout.
