## Rep Spotlight: Beth Gawne

### What brought you to RHSA?

I've never been in student government before, and I was really interested in having the experience.

### What kind of program are you most hoping to see this year?

Anything involving 1) food such as pizza or ice cream, and 2) movies

### What is your best memory here at the UW?

Probably chilling on the quad with friends during a beautiful day.

### Where do you hang out most on campus? (Courtesy of Brad Bicknell)

The hallways of my floor.

### Where is your favorite place on campus?

The quad

### What is your favorite song right now?

"Do you know" - Enrique Iglesias

### What's your favorite flavor of ice cream?

Rocky road

### If you could make one change here at the UW, what would it be and why?

Those gondola things they have at Disney world, so that you could get from one part of the campus to the other without walking.

### What one question should we ask next week's spotlight?

If you could create any sort of class, and take it, what would it be?
