## Welcome to RHSA!

The RHSA Exec Board wants to welcome you to a new year of Residence Hall Leadership fun!

RHSA has come a long way; through legislation, through intercepting and distributing resident opinion, and through interactive and diversified programming, we've helped redefine the meaning of "the residence hall experience."

We hope to carry on that torch in a way that will make our predecessors -- and you -- proud. As RHSA representatives, you have the opportunity to be involved with the largest student organization on campus with over 5,500 members. We're excited to expand our current boundaries, to work with other campus organizations and living communities. We believe in unity across campus, and

strive to do our part in creating a more integrated student leadership foundation at the University of Washington's.

Thanks for joining us this year; let's make this one of the most progressive and meaningful years in RHSA history!

With leadership, love, and Washington warmth,  
*The RHSA Executive Board*
