REP Spotlight. Trent Walkiewicz, McCarty Rep.

Each week RHSAs will recognize one of our amazing members, from RHSAs and organizational reps to advisors, to regularly attending residents!

Q&A with Trent Walkiewicz.

What brought you to RHSAs? I came for the hummus and pita bread, I stayed for the opportunity to make a difference

Seattle's a big place; what is your best memory here? My best memories are of hanging out with friends, watching movies, having epic ping pong matches, and getting lost trying to figure out the public transportation system.

What kind of program are you most hoping to see this year? I don't know much about RHSAs at this point and what the program has been like in the past, but I hope to see a program where residents outside of RHSAs feel like they have a say and feel a want to become involved.

Trent Walkiewicz, 19, McCarty.

Freshman. Major: Computer Engineering. Favorite Class: Calculus. Favorite Dining Facility: The 8 / My freezer full of Hot Pockets

If you could make one change here at UW, what would it be and why? I would have a central list of all the activities and lectures offered by different groups. I have missed a lot of good talks and activities simply because they were spread only by word of mouth or were not promoted in the areas I frequent. Oh, and I would put an Ice machine in Ian's domain; it's a pain to walk across campus for my frozen beverage.

Question courtesy Amber Foss: If you could meet anyone, alive or dead, who would it be? Nikola Tesla.

What is your favorite song? Flowers Never Bend in the Rainfall (Simon and Garfunkel)

What is your favorite food? Tacos

What is your favorite place on campus? On a bench, in the quad, when the stars are out.

What one question should we ask next week's spotlight? What's your favorite part of breathing? Inhaling or exhaling? Why?
