Things Alex Likes.

## Rep Spotlight.

### Jessica Mawrence, HPC (Haggett).

Each week RHSA will recognize one of our amazing members, from RHSA and organizational reps to advisors, to regularly attending residents!

#### Q&A with Jessica Mawrence.

**What brought you to RHSA?** I wanted to join HPC and the position that looked the most appealing to me was RHSA Rep.

**Seattle's a big place; what is your best memory here?** Probably just meeting the people I have become really good friends with here and the fun times we've had so far.

**What kind of program are you most hoping to see this year?** I'm excited for Winterfest, and also the Spring Cruise.

**Jessica Mawrence, 19, Haggett Resident.**

**Freshman. Major: Int. Studies. Favorite Class: SIS 200. Favorite Dining Facility: Wild Greens (in McMahon 8).**

**If you could make one change here at UW, what would it be and why?** I would make there be more class offerings for language classes, since they always seem to fill up really fast.

**Q courtesy Matthew Zemek: If you were a director, what sort of movie would you make?** I would make a movie about horseback riding because it's so fun and I love horses.

**What's your favorite movie at the moment?** I could never pick only one movie, but two of my favorites are Dirty Rotten Scoundrels and Love Actually.

**Favorite flavor of ice cream?** Moose Tracks. It's the most delicious thing ever -- chocolate ice cream with fudge swirls and mini peanut butter cups. I don't think it can get any better.

**Least favorite place on campus?** The Harry Potter room in Suzzalo Library; it's a great for studying and it's so pretty.

**What one question should we ask next week's spotlight?** What is your favorite thing about living in Washington?
