REP Spotlight.

Kyle Fuller,
MacCity Rep.

Each week RHSAs will recognize one of our amazing members, from RHSAs and organizational reps to advisors, to regularly attending residents!

Q&A with Kyle Fuller.

What brought you to RHSAs?

I was really involved in ASB in high school, and wanted to continue being in leadership. Half my cluster was in RHSAs last year, and they said I would love it. They were right!

What kind of program are you most hoping to see this year?

MPH! But other than that, I'm excited for Hansee Hall Ball and Spring Cruise.

If you could make one change here at UW, what would it be and why?

More opportunities for musicians. I play the viola, but I don't have enough time to be in the orchestra. I've played since 5th grade and really want to keep playing.

Kyle Fuller, 19, McMahon Hall.

Freshman. Major: English and either History or International Studies
Favorite Class: English 225, World Wide Shakespeare. I love looking at Shakespeare's plays from other cultural perspectives.

Favorite Place to Eat on Campus: Chipotle...that counts, right?

What is your favorite song?

That's like choosing a favorite child. Anything by Maroon 5. Or Jamie Cullum. Or John Legend. Or Timbaland. See my problem here?

What is your favorite flavor of ice cream?

Chocolate Chip Cookie Dough

Question courtesy of Holly Herrick: If you could go back in time and witness one historic moment, what would it be and why?

When Frodo finally destroyed the ring in Mount Doom. Changed our lives forever. But seriously, when Martin Luther nailed the 95 Theses. He split Christianity, and if for nothing else, just to see if he hit his thumb on the first try.

What is your favorite place on campus?

I have a secret spot I found my first day here. It's a little courtyard that's hidden, and it has a lamp post and a bench. I call it my Narnia.

What one question should we ask next week's spotlight?

Hillary or Barack?
