REP Spotlight. Sami Petersen, MC2 Rep.

Each week RHSAs will recognize one of our amazing members, from RHSAs and organizational reps to advisors, to regularly attending residents!

Q&A with Sami Petersen.

What brought you to RHSAs?

I am not exactly sure how it happened, but I am glad it did. I just love being a part of things going on around campus.

What kind of program are you most hoping to see this year?

I really want to see things outside in the spring, like a field day.

If you could make one change here at UW, what would it be and why?

I would want people not to stress so much over grades. As long as you are learning, that is what is important to me.

Sami Petersen, 19, McCarty Hall.

Freshman. Major: I am interested in many things right now, but I am thinking Engineering or an Earth and Space Sciences major.

Favorite Class: ESS 100 and CSE 142.

Favorite Place to Eat on Campus: I love eating in my friend's room.

What is your favorite song?

In general, I like any song I can sing or dance to, but as for a specific one, I couldn't tell you.

What is your favorite flavor of ice cream?

Tillamook Chocolate Peanut Butter.

Question courtesy of Kyle Fuller: Hillary or Barack?

Um, I don't know, but my favorite TV commercial is the Tide-to-Go.

What is your favorite place on campus?

When it is cold outside, I love walking over this nice warm vent next to the tennis courts. It makes my day on those late-night labs.

What one question should we ask next week's spotlight?

What is your favorite YouTube clip?
