# Rep Spotlight!

## Anthony Medica IV, RHSAs Rep.

Each week RHSAs will recognize one of our amazing members, from RHSAs and organizational reps to advisors, to regularly attending residents!

**Q&A with Tony.**

**What brought you to RHSAs?**

Well, I kind of just fell into it. SMAC needed an RHSAs rep and I volunteered, and now I'm here.

**What kind of program are you most hoping to see this year?**

I'm really excited for all of them, and I hope we do something in the outdoors like a hiking trip or something on that order.

**If you could make one change here at UW, what would it be and why?**

I'd add more greenery to South Campus. It's already going to happen hopefully with the new renovations and new dorms, but seriously, South Campus just seems like asphalt and buildings right now, and not part of a college campus.

Tony Medica IV, 18, Stevens Court. Freshman. Major: I'm working towards a double major in economics and history, hopefully, and maybe a minor in classics. Who knows though, really? I'm just trying to take classes in what interests me.  
 Favorite Class: That is definitely my English Composition class. It's really interesting and well-taught.  
 Favorite Place to Eat on Campus: The 8. The view of Lake Washington is spectacular on a good day.

**What is your favorite song?**

That's hard to say. Right now, I'm listening to a lot of The Clash, so "London Calling" is my favorite.

**What is your favorite flavour of ice cream?**

Any ice cream that uses coffee somewhere in it. I'm a coffee addict, so coffee ice cream is truly one of the greatest things on the earth.

**Question courtesy of Brittany Grgich: If you could invent a board game, what would you name it and why?**

How about Rock Band: The Board Game! It'd be like Life, but instead of achievements like "getting a child," you'd get platinum albums, instead of "bad things" like "Visit in-laws, lose a turn," you'd get "Go to rehab, lose a turn." I'd buy it. Okay, maybe not, but still, someone should do it.

**What is your favorite place on campus?**

That's a hard one, but I'd have to say the Quad is my favorite place on a sunny day, followed closely by Drumheller Fountain.

**What is your best memory here at UW?**

I don't really have a "best" memory, but this year's Apple Cup certainly has a place in my mind.

**What one question should we ask next week's spotlight?**

What's your biggest pet peeve, and why?
