Next RHSAs Meeting

Come to RHSAs!
**Thur., Apr. 17th,
4:30pm @ Lander 132**

REP Spotlight. Sanya Dhermy, Haggett Hall Rep.

Each week RHSAs will recognize one of our amazing members, from RHSAs and organizational reps to advisors, to regularly attending residents!

Q&A with Sanya Dhermy.

What brought you to RHSAs?

The food at the meetings. :) But also, I had always been involved in student council and stuff in high school. I was interested in continuing with it at college. It's a great way to meet new people.

What kind of program are you most hoping to see this year?

Spring is a fun quarter. I'm looking forward to all the upcoming programs. I think the Recess Olympics sound fun, and of course Spring Cruise.

If you could make one change here at UW, what would it be and why?

I guess it would be nice if we had more class offerings... they fill up really fast.

What is your favorite flavor of ice cream?

Mmmm it's hard to say, but I love mint chip.

Sanya Dhermy, 19, Haggett Hall. Freshman. Major: Biochemistry. Favorite Class: My favorite class would have to be Economics and Music: Concert Season. Favorite Place to Eat on Campus: Anywhere on campus, really... HUB is my favorite, though.

What is your best memory here at the UW?

I guess just spending time with my friends, whether it's getting bubble tea on the Ave, shopping at U-District or even cramming for finals at Suzzallo. It's been great. Oh, and of course being a rep spotlight. :)

What is your favorite song?

Right now... I guess I like "4 Minutes" by JT and Madonna. It's catchy... And also "No Air," Jordan Sparks. It's really corny, but eh, it's still good. "First Time," (Lifehouse), "The Mixed Tape," "Low" (T-Pain)... kinda hard to pick one.

Question courtesy of Amanda Sterling: What's the strangest thing you have ever seen on campus?

Yeah, recently I noticed that the obelisk is gone! Red Square looks kinda weird without it.

What is your favorite place on campus?

The Quad, especially now, in the spring, it's really relaxing and pretty. Also, Suzzallo always reminds me of Harry Potter.

What one question should we ask next week's spotlight?

If a movie was being made on your life, which actor/actress would be a good choice to play your character?
