REP Spotlight.

Amanda Sterling, Kingdom of Hansee Rep.

Each week RHSA will recognize one of our amazing members, from RHSA and organizational reps to advisors, to regularly attending residents!

Q&A with Amanda Sterling.

What brought you to RHSA?

I wanted to be able to participate in activities for Hansee Hall, and the RHSA seemed to be a good way to do it.

What kind of program are you most hoping to see this year?

MPH! But other than that, I'm excited for Hansee Hall Ball and Spring Cruise.

If you could make one change here at UW, what would it be and why?

I would like to make Ian's Domain carry more flavors of ice cream (I rarely find Mint Chocolate Chip). I haven't been involved on Campus yet to have an opinion on the politics,

but that will hopefully change this quarter (I started RHSA towards the end of last quarter).

Amanda Sterling, 19, Hansee Hall, snowboarding at Whistler with her cousin for the first time.

Transfer junior. Major: I'd like to major in mechanical engineering.

Favorite Class: ME 123, the SolidWorks CAD course.

Favorite Place to Eat on Campus: The FireCracker, in the HUB (Cashew Chicken!)

What is your best memory here at the UW?

Towards the end of last semester, while walking through the Quad, I saw tight-rope walkers and contact jugglers for the first time. Since I'd never seen that before, you can imagine my surprise at the odd scene in the middle of campus...

What is your favorite song?

“Bad Day,” by Daniel Powter.

What is your favorite flavor of ice cream?

Mint chocolate chip.

Question courtesy of Anthony Medica:

What is your biggest pet peeve?

When people I don't know sit and lean really close to me during lecture.

What is your favorite place on campus?

The Hansee Hall Commons, and study (there are pianos...).

What one question should we ask next week's spotlight?

What's the strangest thing you've ever seen on Campus?
