**REP
Spotlight.
Jean McKeever,
SMAC Rep.**

Each week RHS A will recognize one of our amazing members, from RHS A and organizational reps to advisors, to regularly attending residents!

Q&A with Jean McKeever.

What brought you to RHS A?

My roommate brought me to hall council, and I stuck. They needed another person to be an RHS A rep, and I love to kill my free time, so I volunteered.

What kind of program are you most hoping to see this year?

A super awesome barbeque beach party. I think a dance competition or something like that might also be neat.

If you could make one change here at UW, what would it be and why?

I would make them require more pretty trees. I love the cherry blossoms in the Quad.

Jean McKeever, 18, Mercer. Junior.

Majors: Astronomy and Physics.

Favorite Class: Computer programming. It is tons of fun.

Favorite Place to Eat on Campus: The H Bar (it is in the Physics building).

What is your favourite flavour of ice cream?

Cookie Dough. Yum.

What is your best memory here at the UW?
Finger painting. I miss the good old days like that.

What is your favourite song?
Kid Rock’s “All Summer Long.”

Question courtesy of Ryan Graves: Which “High School Musical” character are you?
Gabriella? Totally a science nerd. I like theatre, too. Too bad I can’t sing like her.

What is your favourite place on campus?
The roof of the atmospheric sciences building during spiffy astronomy stuff. Great view.

What one question should we ask next week’s spotlight?
If you had to be a building on campus, which one would you be?
