# Spotlight!

## Lindsay Fitzmorris, RHSA Programming Director.

Each week RHSA will recognize one of our amazing members, from RHSA and organizational reps to advisors, to regularly attending residents!

**Q&A with Lindsay Fitzmorris.**

**What brought you to RHSA?**

I started out as a rep during my freshman year.

**What is your favourite flavour of ice cream?**

My favorite flavor of ice cream is cherry garcia.

**What is your best memory here at the UW?**

I can't really say my best memory – let's just say it involved swimming.

Lindsay Fitzmorris, 19, Hansee Hall.  
Sophomore.

Major: Environmental Science and  
Resource Management.

Favorite Class: Old Growth Ecology and  
Forest Policy.

Favorite Place to Eat on Campus: 1101.

**What is your favourite song?**

My favorite song right now is "Nothing  
Cleanses Quite Like Fire," by the Schoolyard  
Heroes.

**Question courtesy of Jennifer Grosman:  
Considering the implications of global  
warming, would you rather be a penguin or  
a polar bear?**

I would be a penguin because they live in  
Antarctica, and the guy would take care of the  
egg. Plus, they're cuddly and cute.

**What is your favourite place on campus?**

My favorite place on campus is Rainier Vista.

**If you could make one change here at UW,  
what would it be and why?**

I would change registration from 6 A.M. to a  
more reasonable hour.

**What one question should we ask next  
week's spotlight?**

What is your favorite species of tree, and  
why?
