

## Dear Parents & Friends,

Help keep your students going strong throughtout finals with our amazing Finals Study Buddy Kit! The spring quarter Study Buddy contains the ideal items for your student when he/she needs to take a break from studying. This care package is full of favorite treats (see columns on the right), and it will surely boost morale when needed the most. Remind your student how much you care with this care package! The Finals Week Study Buddy Kit is brought to you by the students of the UW Residence Hall Student Association (RHSA).

Proceeds from this RHSA student fundraiser make it possible for residence hall students to attend leadership conferences where they gain and share knowledge about bettering the residence hall community. This fundraiser also helps fund popular programs such as Spring Cruise, Casino Night, Winterfest and Hansee Haunted House! Ask your student for details about these programs! We sincerely appreciate your support for helping leaders grow in the UW residence halls.

Sincerely,

Alex Cutler, Andrew Clark, Lindsay Fitzmorris,  
Brittany Grgich, Conor McLean,  
Laine Anderson  
and Jake Siegel-Picus
