- Discussed possible collaboration with Jon Geraughty to bring in a speaker. Bethany will e-mail Jon and will pass along the information about funding to Cadi.
- Cadi has been in contact with ALISS about SALA undertaking some aspect of Spring Fling. She will keep us informed once the ALISS officers get back to her.
- Jack suggested an event for students attending the ALA conference in Anaheim. We discussed the possibility of developing a wiki with conference information.
- It was decided that all current officers will meet individually with their replacements to discuss the office. Each pair is responsible for setting up their meeting.
- We discussed having an end of the year picnic for incoming and outgoing officers. We need to check with Sonja to see if there is money in the budget for this.
