Feedback

SEED members discussed how we felt the club was progressing and what direction we should take in the future.

Officers

- Co-Community Project Coordinator
 - Max will be unable to attend meetings this quarter.
 - Rachel Mathisen will function as the co-CPC in his place
- Co-Publicity Coordinator
 - David has resigned
 - Angelina will take his place

Posters

- We reviewed some recycling posters that Pat Kaufman has used in years past. These, or something similar, will go above bins for the purpose of educating students about proper recycling procedures.
- Perhaps, we will be able to include a SEED logo on recycling bins.

Greek Row

- SEED should spearhead an effort to educate the Greeks about recycling and litter removal, perhaps setting up a clean-up to help out.
 - Maybe a contest as to which house can recycle the most?
