

# Washington State Model United Nations

## Registration Form

### **Registration Instructions:**

**Country Selection:** Please refer to the “Countries and Committees List” on pages 5 and 6 of the Registration Packet. The countries are listed in an alphabetical matrix with the maximum number of delegates assigned per country, followed by the committees in which each country serves shown to the right of each country.

Please list your top ten country choices in order of preference on the backside of this form. Please also list your top four committee choices.

Country and committee positions will be assigned on a first come, first serve basis. Top priority will be given to country preference, but if high ranked countries are taken, every attempt will be made to assign students to a preferred committee.

**Delegates:** Each school may send a maximum of 35\* student delegates to the conference. The WASMUN conference will consist of a series of 8 simultaneous committee sessions with each country delegate serving on only one committee. Countries will be assigned to schools according to the number of delegates being sent.

Example: a school that sends 20 delegates will be assigned a combination of countries that together have a total of 20 committee assignments (i.e.: Canada, 5; Israel, 2; Rwanda, 4; Poland, 4; Germany, 5). You need not tally the number of committees for the countries you are requesting. We will be balancing requests from all schools.

Please list each delegate’s name, grade level, and e-mail address individually on the backside of this form.
